1) Review of Minutes

The work group approved the June 16th meeting minutes.

2) Electronic Health Record Medicaid Incentive Payment Program (eMIPP) Status Update

- **Payments to Date**
- **Processing Queue Statistics**
- **2013/2014 Attestations**

Dave Barnes reported that as of June 26th, one Eligible Hospital (EH), nine Eligible Professionals (EPs) for 2013, and one EP for 2014 were paid since the last work group call bringing the total amount disbursed to over \$411 million.

The 2013 processing queue includes 184 EPs that HFS has requested more information from. Two EHs and 35 EPs have been approved for payment. Twenty-three EPs and two EHs have attested for 2014.

3) **Regional Extension Centers (RECs) Outreach and Education Report**

Eva Winckler reviewed the REC report which gave an overview of the outreach activities performed by the RECs. The report shows that two webinars were done in May and five eblasts to over 1,000 people were sent. Calls to EPs and dentists who haven't registered for the program were made. The report includes trending topics and will show the top issues that people are calling about. **Theresa Walunas** stated that the report was a work in progress. She hopes it helps them understand which and why providers have registered but not attested.

Meeting adjourned. The next call is scheduled on July 15th.
